

Dream Catcher Recipient

Lion Mary Pieper

5M1, March 20, 2018 from the Caledonia Lions

The Caledonia Lions recipient of the 2018 Dream Catcher Award is Lion Mary Pieper. The award was presented on Tuesday March 20th, 2018 at our club's regular meeting at the Four Seasons Community Center in Caledonia, MN.

Lion Mary Pieper was/ is very deserving of this award. In her roughly 15 years of Lionism, she has been on our board in some capacity every year, has served as club president for 3 or more terms, is currently our club secretary, and also is serving as District 5M1 co-chair for MN Lions Diabetes Foundation. It was fitting on the night she was presented this award, she had arranged for a local family (Tim and Sarah Schroeder and their children Levi and Addy) to serve as our special guest speakers. Their topic was the challenges of caring for their 6 year old son, Levi who has been fighting Type 1 diabetes since age 3. Levi is in the attached photo with his own dream catcher presented to him by our club.
